Scope and Contents

The collection consists of 517 items of and related to the author and screenwriter Hugh Walpole (British, 1884-1941). Included are portraits of Walpole alone at various ages and with his sister Dorothea, his mother Mildred, other authors, and Hollywood notables. Additionally there is an album that primarily contains photographs of architecture. An index at the end of this guide lists some of the photographers whose work is featured in this file. Further descriptions of some items may be available in a card catalog in the repository.

This collection forms a part of the Literary File Photography Collection that is comprised of photographs and albums withdrawn from the libraries and/or papers of literary figures, and generally includes portraits and images collected by or of those figures.

Related Material

Associated and related material by and about Walpole can be found in the Center's library and in the Hugh Walpole Collection (MS-04395).
